The undersigned person declares, acting in this as authorised representative of \_\_\_\_\_, the compliance of the provision of EU-wide real-time traffic information services with the Com-mission Delegated Regulation (EU) 2022/670 and the articles published therein, that \_\_\_\_\_, in accordance with the Regulation mentioned above,<sup>3</sup>

- 1. conforms to the requirements as stipulated in Article 4 (3), 5 (3) and 6 (3) regarding the collaboration with data holders.
- 2. conforms to the requirements as stipulated in Article 8 (4) regarding the updating of data on infrastructure.
- 3. conforms to the requirements as stipulated in Article 9 (4-5) regarding the updating of data on regulations and restrictions.
- 4. cooperates with the competent authority of the Member State for compliance assessment who will randomly check the correctness of the self-declaration as described in Article 12, related to the compliance with the requirements set out in Article 3 to 11. In the course of the compliance assessment, all data, records and relevant documents required for the execution must fully be made available free of charge and without restrictions.
- 5. ensures that this self-declaration is up to date and valid and in case of any change that necessitates an update of this self-declaration, provides a timely<sup>4</sup> amended self-declaration to the competent authority of the Member State for compliance assessment.
- 6. in order to assess compliance with the requirements set out in Article 12, the following accompanying documents should be enclosed in support of this self-declaration and will be requested for random inspection:
  - a. a description of the data, digital map or real-time traffic information services they provide as well as the information on the quality thereof and the conditions of re-use of these data.
