

smart mobility newsletter, issue 1/18

January 2018

Dear partners and interested parties,

the first smart mobility issue in the year 2018 is all about the Transport Research Arena (TRA). Besides futurist Gerd Leonhard, who will be holding the keynote at the opening session, there are some insights into the exciting programme and an overview of special offers that you can expect and look forward to at TRA 2018.

Enjoy reading!
